OBJECTIVE

Highly skilled and creative Senior UI/UX Designer with over 10 years of experience, combining a strong visual background with extensive knowledge of HTML and CSS. Expertise in Design Systems, Graphical Assets, and Multimedia tools. Seeking a challenging position to contribute to the success of a dynamic organization by delivering exceptional user-centered designs that enhance the overall user experience.

WORK EXPERIENCE

EPICOR | Sr. UI/UX Designer
(2016 – Present)

- Collaborated with cross-functional teams to gather requirements, define project goals, and create wireframes, mockups, and prototypes.
- Created and maintained design systems and style guides to ensure consistency and efficiency across multiple products.
- Worked closely with product managers, developers, and stakeholders to align design objectives with business goals and technical feasibility.
- Conducted internal usability testing, and heuristic evaluations to identify user needs and pain points, and iterated on designs based on feedback.

ZMENIT Technologies | UI Designer
(Oct 2013 – Mar 2015)

- Collaborated with cross-functional teams to create intuitive and visually appealing user interfaces for web and mobile applications.
- Designed responsive UI Templates using photoshop, ensuring a seamless and intuitive user experience.
- Translated design concepts into pixel-perfect HTML and CSS code, collaborating with developers to ensure accurate implementation.

MASNOP Advertising | Web Designer
(Jan 2013 – Aug 2013)

- Created visually stunning and user-friendly websites for various clients, ensuring a seamless user experience and adherence to modern design trends.

ASMAN Technologies | Web/Graphic Designer
(Dec 2010 – Dec 2012)

- Worked independently with clients to create custom website designs that aligned with their unique needs and objectives.
- Implemented front-end web development using HTML, CSS, and JavaScript, ensuring cross-browser compatibility and responsive design.
- Provided ongoing website maintenance and support, including updates, bug fixes, and performance optimizations.
- Explored knowledges on Domain, Hosting and server maintenance

EDUCATION

Bharathiar University - Bachelor of Computer Application
(2008 - 2010)
